Registration Accreditation Board (RAB)

CLASS STRUCTURE

Class structure includes: lecture, class discussion, exercises, and a case study for audit practice.

WHO SHOULD ATTEND?

Managers, Quality Managers, Senior Quality Assurance personnel or any employee of a company who is expected to be involved in the company's internal quality audit process. Companies preparing for or intending to qualify for ISO 9000:2008 certification are required to implement such a system.

LOCATION AND TIME

The course will be held at the Berks Career and Technology Center (BCTC) – West at 1057 County Road, Leesport PA on Wednesday and Thursday May 26th and 27th, 2010. Course will start each day at 8:00am and end at 5:00pm.

ABOUT THE INSTRUCTOR

Mr. Joseph L. Pascuzzi is President and owner of **JLP ASSOCIATES**, an independent engineering consulting firm specializing in implementing Quality Management Systems, Quality Auditing, ISO9001, Training and the application of general Quality Practices. He has over 49 years of experience in quality-related fields. Joe has a Bachelor of Science degree in Industrial Engineering from Pennsylvania State University and a Master of Science in Physics from Franklin and Marshall College.

He is a member of the American Society for Quality, an ASQ Certified Quality Auditor, CQA, and a Certified Quality Management Systems Lead Auditor through the RABQSA International. Joe is an instructor for the ASQ Reading Section's Education Committee, Section Certification Chairperson, Examining Chairperson and a frequent keynote speaker at Section meetings. Joe participates in the Philadelphia Section's Baseline Audit Program performing as a Lead and a Witness Auditor for auditors seeking certification.

Mr. Pascuzzi was professionally employed by AT&T Microelectronics Division as a Senior Engineer working various engineering capacities. Prior to retirement, Joe was the ISO 9001 Implementation Team Leader for the LED/PIN Subsystems and Components portion of the Terrestrial Lightwave SBU, when they successfully achieved ISO 9001 certification. During that time, he also functioned as an Internal Quality System Auditor for the Business Unit.
